Applicant EEO

As a matter of Wolfram policy, as well as applicable law, we are required to keep records and perform certain statistical analyses of our applicant pool by race, ethnicity and gender. Since such analyses are only possible if we know the profile of our applicants, we are asking for you to complete this survey.

The information that you provide is voluntary; it does not affect your prospect for employment; and is treated confidentially. We appreciate that you may find this request intrusive and we understand that concern. Please be advised, however, that since we are required by the government to collect and report this data your cooperation will allow us to be accurate. For any statistical analysis to be meaningful, we must have information on as many applicants as possible.

Wolfram is committed to the principle of equal employment opportunity. Wolfram complies with all applicable laws prohibiting discrimination based on race, color, creed, sex, age, national origin or ancestry, physical or mental disability, veteran status, as well as any other category protected by federal, state or local laws.
